The delivery slip says six. How many can you install?

Receiving Desk Check

Six dining chairs are due. Four arrive ready for install and one arrives damaged. Record the shortage separately from the damage.

1. **Enter one case**
   Start with the example or replace the three inputs with your own values.

2. **Read the result**
   Damaged units have arrived. Track their replacement separately from units missing from the delivery.

3. **Choose a next step**
   Log damage and the missing unit as separate follow-ups.
